

Bagues anti-friction

(Ref. 11255941)

For perfect level tile and regular grout between tiles

Usage régulier

Photo et textes non contractuels

Product Information:

Sleeve of 40 rings for self-leveling spacers

Anti-friction ring for self-leveling screw system

To avoid leaving marks on certain tiles and to prevent the tiles from shifting when tightening the nut

Ring attaches to the nut for ease of use

Its design allows the nut to be tightened without rotating the ring on the tile

The use of the anti-friction ring does not affect the tightening performance

Local manufacturing department 41

Technical characteristics:

Height (cm) : 28.00

Width (cm) : 5.00

Length (cm) : 20.00

Net weight (Kg) : 0.20

Format Sleeve of 40 pieces
