

## Bagues anti-friction

(Ref. 11255941)

For perfect level tile and regular grout between tiles  
**Usage régulier**

Photo et textes non contractuels

### Product Information:

Sleeve of 40 rings for self-leveling spacers  
Anti-friction ring for self-leveling screw system  
To avoid leaving marks on certain tiles and to prevent the tiles from shifting when tightening the nut  
Ring attaches to the nut for ease of use  
Its design allows the nut to be tightened without rotating the ring on the tile  
The use of the anti-friction ring does not affect the tightening performance
